Commissioner for Patents

Washington, D.C. 20231

TECHNOLOGY CENTER R3700

Dear madam:

Please amend the application as follows:

IN THE ABSTRACT:

In lines 10-19, delete "provided with" and insert --including a run button activating--; after the word motor add --mounted under the lower part, which--; delete "allowing" and insert --allows a lower plate to turn and activate a gear rack allowing the lower jaws provided with non-skid rubber strips--; change "the" to --a--; change "in accordance with" to --according to--; after the word size add --,-- and delete "and to make turn it, and of an upper allowing to adjust manually the height of jar, and when the plate from the lower part turns, the jaws squeeze the lid for unscrew the jar.";
